DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: SOUTH VIETNAM--THE MILITARY SITUATION

25X1

Fighting remains light. Recent clashes in Quang Duc Province suggest the first phase of the reported Communist diversionary effort is beginning. Moderate fighting was reported in MR-3 in Binh Duong Province where a government sweep operation is under way. The Consul General in MR-4 has observed a westward shift in Communist attacks in the delta recently. He believes this military activity is intended, in part, to divert government forces while Communist rear-service units relocate from Cambodia into the western delta.
